

On budget. On time.

Since 2015, ONPOINT has served the commercial housing markets, delivering turnkey flooring solutions for the multi-family housing markets. Originally known as ProStar Enterprises, our focus is the delivery of flooring and hvac solutions for the multi-family housing market and commercial enterprises. We are an authorized distributor for all major manufacturers of building products as well as HVAC equipment.

ONPOINT serves both the new construction and renovation markets throughout the state of Ohio. Our expertise is managing large scale projects that require detailed schedule management as well as proactive action to prevent costly overruns and schedule delays.

ONPOINT, is a certified MBE and VBE company in the states of Ohio, Pennsylvania, and New York.
